Madam/Sir,

In inviting a reference to the subject cited above, I am directed to inform you that it has come to our notice that some of the applicants who were slided-up during the admission process have not completed the final admission updation in the destination Higher Secondary School (HSS). You are therefore required to contact such applicants to find out whether they want to continue with their admission at your HSS and accordingly take steps to either complete their final admission at your HSS by updating the 'Other Profile Information' details or cancel it using the admission cancel link.

You are therefore, requested to take necessary steps to either complete the admission process of these students or cancel their admission. The admission cancel link will be available in your SAMS eSpace login from **20/09/2019; 2:00 pm** onwards, in order to smoothly facilitate the RoM and Registration process.

Yours faithfully,
